NOTICE TO PRO SE LITIGANT: The parties listed above have agreed to waive the requirement under Rule 5 of the Federal Rules of Civil Procedure that you serve on them all court papers **after the filing and service of the Summons and Complaint**. These parties have agreed to accept service solely through the Court's electronic filing system. This means that, **as to the parties listed above only**, you do not need to serve them with any papers that you file with the Court and you do not need to file with the Court an Affirmation of Service as to these parties. Once your papers are filed with the Court and scanned electronically, these parties will accept the Court's Notice of Electronic Filing as good service.

This waiver of service does not apply to parties who are not listed on this Waiver. You must serve those parties with paper copies of all your Court filings and file with the Court an Affirmation of Service as to such parties.

This waiver of service does not apply to the service of a Summons and Complaint.
